

# PAYPAL SOLUTIONS FOR SELLING ONLINE AND IN PERSON

Here are our recommended solutions for you based on what other people who sell online and in person use the most. You can access these solutions – along with others that may suit your requirements – with one PayPal business account.

## ONLINE PAYMENTS

Debit, credit and PayPal payments on your website.

- Accept debit, credit card and PayPal payments – customers don't need a PayPal account
- Built-in fraud protection helps make payments more secure
- Fast access to your funds with payments entering your account in seconds

**Monthly fee:** Free for our off-the-shelf solution, or £20 for a customised checkout. **Fee per transaction:** From 1.9%–3.4% +20p based on your total sales volume.

## PAYPAL CHECKOUT

Add PayPal as a payment method on your website.

- Speed customers through checkout in just a few clicks – they don't need a PayPal account to pay you
- Customers remain on your site while they pay with a seamless experience
- Buyer and Seller Protection keeps both you and your customers better protected

**Monthly fee:** £0. **Fee per transaction:** From 1.9%–3.4% +20p based on your total sales volume.

## PAYPAL HERE

Accept quick, secure payments with a portable card reader.

- Carry the portable card reader to accept payments wherever you do business
- Use the card reader in your store and even link it to your POS software
- Funds securely reach your PayPal account in seconds.

**Fee to purchase card reader:** £45. **Monthly fee:** £0. **Fee per Chip & PIN or contactless transaction:** From 1.9%–3.4% +20p based on your total sales volume. **Fee per swipe or manually entered transaction:** 3.4% + 20p.

## PAYPAL.ME

Get paid quickly with a shareable, flexible pay-now link.

- Creating your link takes just a few clicks – so you can start collecting payments in minutes
- Request a specific amount by adding it to the URL – for example, PayPal.me/YourBusiness/5 for £5
- Customers can pay instantly via PayPal and funds enter your account in seconds

**Monthly fee:** £0. **Fee per transaction:** From 1.9%–3.4% +20p based on your total sales volume.
