

In an effort to provide customers access to critical funds, PayPal will be temporarily waiving some of its fees for customers sending funds to Ukrainian PayPal accounts or receiving funds into Ukrainian PayPal accounts until further notice. Exchange rates or fees charged by a customer's card issuer or bank may still apply. Please see the [fees for Ukrainian personal accounts page](#) and [this Help Center article](#) for updates and more information about our services for Ukrainian customers.

Last Updated: 16, January 2024

You can find details about changes to our rates and fees and when they will apply on our [Policy Updates Page](#). You can also view these changes by clicking 'Legal' at the bottom of any web-page and then selecting 'Policy Updates'.

Domestic

A transaction occurring when both the sender and receiver are registered with or identified by PayPal as residents of the same market.

International

A transaction occurring when the sender and receiver are registered with or identified by PayPal as residents of different markets. Certain markets are grouped together when calculating international transaction rates. For a listing of our groupings, please access our [Market/Region Grouping Table](#).

International transactions where both the sender and the receiver are registered with or identified by PayPal as resident in the United Kingdom, Guernsey, Jersey, Isle of Man are treated as domestic transactions for the purpose of applying fees.

Market Code Table

We may refer to two-letter market codes throughout our fee pages. For a complete listing of PayPal market codes, please access our [Market Code Table](#).
