------------------------------------	------------------

*This fee can be lower depending on how and where this account is used.

No overdraft/credit feature.

If you have opened a PayPal Debit Card Mastercard© account, enrolled in Direct Deposit, or bought or received cryptocurrency with your personal PayPal Balance account, we will place your U.S. dollar PayPal Balance funds in one or more [Program Banks](#), where they will, subject to certain conditions, be eligible for pass-through FDIC insurance, up to applicable limits. FDIC insurance protects against the failure of a [Program Bank](#), not the failure of PayPal. PayPal is not a bank, does not take deposits and is not FDIC insured. Any other balance funds and all cryptocurrencies are not held in FDIC-insured bank deposits. Cryptocurrencies may lose value. See PayPal Balance Terms and Conditions.

For general information about prepaid accounts, visit cfpb.gov/prepaid. Find details and conditions for all fees and services in the PayPal Balance Long Form, which can be accessed in the applicable Terms and Conditions on [PayPal.com](https://www.paypal.com).
